ACES 2015

Voluntary Enhanced Renewable Energy Product

Opt-In Form

My Public School District is a participant in the Alliance for Competitive Energy Services (ACES) program.

I hereby affirmatively select the ***Voluntary Enhanced Renewable Energy Product*** offered by ACES for the 2015 electric supply contract valid from May 2015 to May 2017. In doing so, I understand that my School District's electric accounts will be charged a premium of \$0.00125/kWh above the contract price awarded by ACES for the 'standard' electric supply product as a result of its March 2015 bid. In return my District's electric accounts will receive an enhanced renewable product inclusive of Class I RECs, Class II RECs and SRECs totaling 20% renewable power. All RECs and SRECs procured as part of the ***Voluntary Enhanced Renewable Energy Product*** will be sourced from PJM, and registered in PJM-GATS.

Please sign and return this Voluntary Opt-In Form to Carol Friedman, the ACES Program Administrator, by:

FAX - (732)-296-0799; or by email - Carol.Friedman@gabelassociates.com.

All Opt-In Forms must be returned by no later than April 27, 2015.
