

LITTERBUGS BEWARE!!

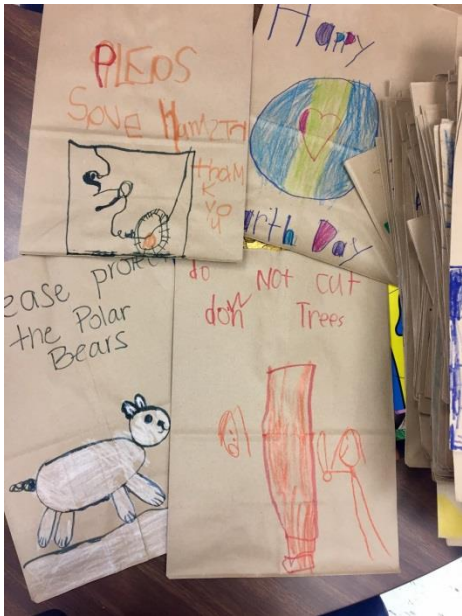

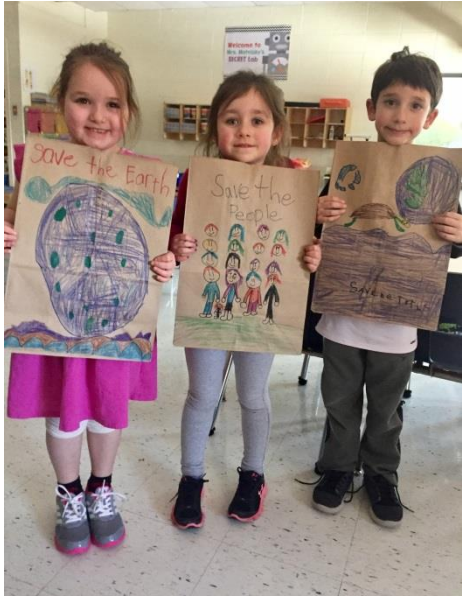

Artwork from The Wartville Wizard by Don Madden

Earth Day is a celebration that inspires awareness and gratitude about our planet and its natural resources.

The students in Dickerson's Enrichment for All classes will be participating in an Earth Day Community Awareness Campaign. The children of Chester will demonstrate to the adults of our community that Chester children care about our Earth. Our hope is that when the adults in our community see that our own children care so much about our planet, the adults will also make more of an effort to care for our Earth.

This paper bag public relations campaign will be done in conjunction with Shop Rite of Chester. Our students will be designing and creating Earth-friendly messages on recycled Shop Rite grocery bags. These bags will be returned to Shop Rite where they will be used to bag customers' groceries on Earth Day!

Together we can make a difference!

ShopRite (Chester, NJ) added 4 new photos to the album: Earth Day Celebration! April 22 · 🌍

Thanks to our ShopRite guests for helping us plant 6,000 trees & also to our local elementary schools for decorating paper bags for Earth Day!

Today we gave out tree seedlings grown by New Jersey Forests, planted green beans & had a great time celebrating Mother Earth! #ShopRiteGoesGreen

We had a great time celebrating Earth Day! Customers were given samples of "lemon blueberry rosemary energy bites" to try, and tree seedlings to take home and plant. We also used bags decorated for Earth Day by Bragg Elementary, Dickerson Elementary, & Black River Middle School!
