EMPOWERED PLEDGES

Help our school save energy by signing the
emPowered Pledge!

emPowered Energy Pledge

I, _____, understand that my school is trying to save energy and money through the PowerSave Schools Program. I pledge to try the following energy-saving practices in my classroom:

1. **Right-Lighting**
2. **Last-Out, Lights-Out**
3. **Closing doors and windows when the AC/heater is on**
4. **Turn off appliances and put computers on sleep mode**

I will allow the **PowerSave Team** to conduct an **energy audit** of my classroom (less than 10 minutes) to determine my **right-lighting level** and investigate where energy is being wasted. The best times/days to audit my classroom are (circle all that apply):

☐ Before School ☐ After School ☐ At Lunch During these times: _____

I will also take part in the **PowerSave Energy Patrol Contest**. The classroom that sticks with the most energy-efficient behaviors wins a **prize!**

My classroom is on board to help the PowerSave Team!
