

Long Branch Public Schools
"Where Children Matter Most"

School to Home Communication

	Blackboard Connect is our mass notification service where we inform parents of school closings, schedule changes, emergencies, and other information. Please keep your phone numbers up to date with the schools to receive these messages.
	The Genesis Parent Portal is a password-protected, online access system to view student information, including schedules, attendance, report cards/progress reports, assignments and grades. The Genesis portal is part of our ongoing effort to strengthen communication among school, parents, and students. https://parents.genesisedu.com/longbranch
	ClassDojo and Remind connect teachers with students and parents to build amazing classroom communities. Parents can ask their child's teacher for their direct link.
	We're social! Parents can opt to follow the district by searching "Long Branch Public Schools" on Facebook, Instagram, Twitter, and YouTube.
	To receive email updates parents can put their emails on the registration packages or update it anytime on Genesis Parent Portal.
