To Whom it May Concern,

Please accept this letter as evidence that all staff members throughout the George L. Catrambone School and the Long Branch Public School District are invited to attend the STEAM professional development offered after school for the 21st Century Community Learning Center's afterschool program. Professional development opportunities are scheduled outside of school hours in an effort to have the maximum amount of participation for all staff members. Sessions are arranged on different days to allow for the maximum reduction of conflicts with scheduling. All PD sessions are emailed out to staff members to allow for maximum participation.

Thank you,

Elizabeth Muscillo
