(Optional) In what areas would you like to receive additional professional learning opportunities?

91 responses

Google classroom

A full Nearpod training

Never used loom or mote so any information about it and how it works would be great. In regards to google drive I'm interested in ways to use it more efficiently, for example how to add existing docs/ images to a shared folder, moving/deleting multiple files at a time.

I am a graphic design teacher, In my area specifically I would like to be updated with the newest changes and information on adobe suite.

Using Google Classroom to give more access to students, spreadsheets to track data

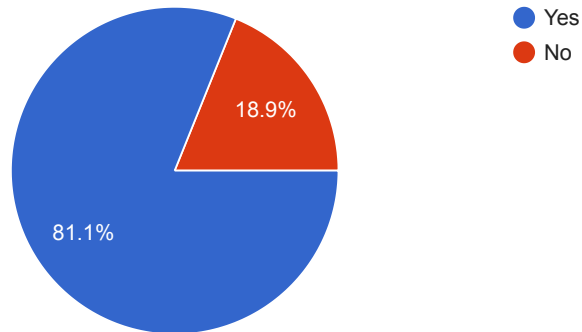

How to make more innovative lessons to grab student attention.
How to create more interactive lessons

Spreadsheets, grade sheets

Do you feel you have adequate support and training for the technology you use?

365 responses

(Optional) In what ways could we provide you additional support?

93 responses

Utilization of PD days for tech training and support.

Provide workshops and training in adobe.

building support

Maybe one on one when we do PD day

additional trainings or video tutorials

Include Gmail access to all students and staff

PD on how to use different platforms effectively to create rigorous interactive lessons for students

on line tutorials

Havina these sncific workshops definitelv help. Anythina in aoodle. classroom. docs.
