CHAMPIONS

Enroll at Champions Today!
Why Champions?

Health and Safety

- A clean and safe environment with industry-leading health and safety protocols
- Wellness Screening Stations** ensure that every staff member confirms they are well and every family confirms their child is well upon arrival to the site.

Academic Support

- Project-based STEM learning activities, art, outdoor play, homework help, & distance curriculum support
- Special pandemic-response curriculum** designed for student-led projects that build resilience through creativity, optimism, empathy, problem-solving, and growth mindset

Social Emotional Learning

- Supporting a positive, anti-bias classroom culture through student-centered classmeetings, social emotional learning activities, and daily mindfulness practice.
- Spending time each day, checking in and building community, trust, and connection with one another.

Earth Day Spirit Week - Color Our Earth with Kindness

APRIL 22

Monday 4/19 Waste-Free Monday! Focus on the 3 R's -- Reducing, Reusing and Recycling, and of course, we'll all wear **GREEN!**
Fact of the Day: Not all types of plastic are recyclable. You cannot recycle straws and dirty plastic. Plastic is categorized into 7 categories depending on the type of plastic. You can find the numbers on your plastic products and recycle them based on which number they are.
Tip of the Day: Recycle your trash, use reusable bags, or pick up litter outside.

Tuesday 4/20 Be Bright; Turn Out the Light Day. Students will learn about energy conservation, and try to save as much energy as possible, be sure to **wear something really bright!** to light up our school without using energy!
Fact of the Day: Today's LED bulbs can be six-seven times more energy efficient than conventional incandescent lights and cut energy use by more than 80 percent.
Tip of the Day: Turn the lights off when you leave a room.

Wednesday 4/21 Wear Blue, Save Water, Day. Students will learn about water conservation, and we'll wear a sea of blue to promote clean & plentiful water.
Fact of the Day: You use about 5 gallons of water if you leave the water running while brushing your teeth.

Thursday 4/22 Color the Earth Day Wear as many colors of the rainbow as you can -- and throw on a hat, too, because...why not?
Fact of the Day: After being cut down, a new generation of trees sprout from the roots of the fallen redwood, often creating a near-perfect circle or ring. This is called a fairy ring.
Tip of the Day: Take a walk at your local park and enjoy nature around you. Promote the importance of planting trees and native plants.

Friday 4/23 What will you contribute to our beautiful world?  Wear your favorite team shirt. Join the race to make our world a better place!
Fact of the Day: According to the Earth Day network, one billion people participate in Earth day festivities each year in 192 countries.
Tip of the Day: Do one thing today to make a difference in the world!

GLC School Spirit Committee Presents...

Green & White Day

Wednesday, March 17, 2021

*Wear green and white, and some shamrock flare,
You can even dress as a leprechaun if you dare!
It's St. Patrick's Day and no matter what you do,
May the luck of the Irish be with you!
Just dress up festively, so all can see,
How much spirit we have at GLC!*

GLC School Spirit Committee Presents...

Thursday, February 11th - Dress Red for Valentine's Day

Valentine's Day is nearly here,

So, let's give the color red a cheer!

Maybe you'll wear a dress or sweater on this special day,

Just be sure to include something red for Valentine's Day!

Be original, so all can see

How much spirit we have at GLC!

Tuesday, February 16th - 100th Day of School Celebration!

To celebrate, your child can create a 100 day t-shirt with 100 items to wear on 100th Day of School! We are excited to see virtually and in-person what students will create! For some inspiration, you can check out these [100 Days of School Shirt ideas!](#)

Calling all out-grown gently worn t-shirts!

As you may have heard, Governor Murphy signs legislation banning single-use paper and plastic bags in New Jersey. Therefore, the Green Team at GLC will be making reusable totes out of the t-shirts for staff, students and the community.

We will start the t-shirt collection the week of January 25th - 29th. Here's how you can help. Donated t-shirts can be placed in a bin outside rooms 124 and 134. Also, there will be a bin set up outside the school from 8 am to 6pm for families to drop off t-shirts.

Our Green Team students will hand out the reusable totes at Fine Fare and Stop in Shop sometime in February which all is welcome to help assist to represent GLC! A date and time is yet to be determined.

Thank you all for your continued support! Working together to help our students and our school community is so meaningful!

Use su atuendo festivo favorito o vístete con un atuendo temático de invierno. Use sua roupa festiva favorita ou vista uma roupa de inverno.

Why Girl Scouts?

You want a brighter, happier tomorrow for your girl — and that's exactly what we want, too.

Studies show Girl Scouts improves girls' confidence and makes them better prepared for life's challenges. That's because we are dedicated to helping your girl follow her heart while she discovers new interests, strengths, and abilities. We're here with your family, working together, to support:

Her Dreams

Girls love Girl Scouts because it's where they call the shots. Right now, Girl Scouts are learning about robots, hiking, painting murals, feeding the hungry, and even writing laws to change the world. If she can dream it, we'll help her do it.

Her Growth

This is where **your girl can relax**, knowing she's accepted for exactly who she is today and all she can be tomorrow. At Girl Scouts we don't focus on perfection, only her potential.

Her Success

With her group (called a troop) of Girl Scout sisters by her side, your girl will reach farther, work harder, and bounce back faster. Get ready to **see her shine** like never before.

Best of all, this is a journey you take with your girl and there's a place for the entire family.

Plus? Girl Scouts is fun!

Head to [GSFun.org/join](https://gsfun.org/join) to say YES and start the adventure today.
