During our final week of @LB\_STEAM Check In, we have been learning about summer snacks to keep us cool! We mindfully made hummus & guacamole, learned about Ube purple yam treats & mindfully observed donuts for National Donut Day! Food is always a great way to create connection!

## PowerSave

GLC GREENER @greener\_glc · May 11

NJ @Paterson\_Falls produces enough energy from the Passaic River to power 10,000 home daily. Today our @ElementaryGlc PowerSave Team learned about hydroelectric energy with Melanie. They were so excited to learn about this renewable 🌱 source! @ToSaveEnergy @LBpublicschools

GLC GREENER @greener\_glc · Feb 23

Today GLC PowerSave students learned about the @GlobalGoalsUN #6 Clean Water and Sanitation. Everyone has the right to clean water! Students discovered what it takes to build a water filter.
